

## For Templates

### What you CAN do:

- You CAN edit and rebrand as your own
- You CAN make an unlimited number of designs
- You CAN sell on sites like Etsy, Shopify, Amazon KDP, or Your own website.
- You CAN sell with personal use rights ONLY

### What you CANNOT do:

- You CANNOT sell or giveaway the source files in any way, shape, or form.
- You CANNOT sell on sites like Creative Fabrica, TheHungryJPG, DesignBundles, etc.
- You CANNOT use our name or website in connection with your product.
- You CANNOT use or sell for a gig on Fiverr or any similar such site.
- You CANNOT pass on commercial use rights to your customers in any way, shape, or form.

## For Graphics - Cliparts

### What you CAN do:

- You CAN make an unlimited number of designs with the graphics
- You CAN sell the designs you make with the graphics, on sites like Etsy, Shopify, Amazon KDP, or Your own website.
- You CAN use the graphics in designs for Personal use, Commercial use, or PLR.  
BUT graphics must be used in a product (PDF) and flattened.
  - think of it like this, the original graphics are for YOUR use in YOUR products, they cannot be passed on to your customer.

### What you CANNOT do:

- You CANNOT sell or giveaway the source files in any way, shape, or form.
  - CANNOT be bundled with other products in a graphics pack, or otherwise sold as is.
- You CANNOT sell the graphics on sites like Creative Fabrica, TheHungryJPG, DesignBundles, etc.
- You CANNOT use our name or website in connection with your product.
- You CANNOT convert file types and sell them
  - i.e. PNG to SVG and selling it as an SVG.
- You CANNOT just colorize and sell - it's basically selling as is,
